ASSIGNMENT**WHEREAS, I,**

FRANK MORTON residing at 579 Plymouth Road, Harwinton, Connecticut 06791, having made an invention entitled "ANTI-BACKLASH NUT ASSEMBLY FOR A LEAD SCREW," Attorney Docket No. 27843-147, for which an International (PCT) application was filed on June 10, 2004 and assigned International Application Serial No. PCT/US04/18364.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto the **Tritex Corporation**, a corporation of the State of Connecticut, having a principal place of business at 1500 Meriden Road, Waterbury, Connecticut 06705, U.S.A., its successors and assigns, the entire right, title and interest (i) in and to the said invention and application, (ii) in and to any National Stage application(s) that may claim the benefit of (and/or priority to) said PCT application, including, but not limited to U.S. Application Serial No. 10/574,118, filed on March 20, 2006, (iii) in and to any and all divisionals, continuations or continuation-in-parts of said applications, (iv) in and to any applications based at least in part on (or claiming priority to) any of the foregoing applications, and (v) in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and any and all patents and/or other intellectual property rights available in countries foreign thereto (including the right to apply for patents and/or any and all other intellectual property rights available in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors and to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said **Tritex Corporation** its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent or other patent and/or intellectual property rights in any and all countries;
